PERIOD

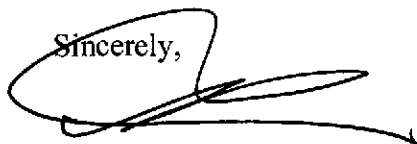

To Whom It May Concern:

Please accept this letter as a request that the obligation period for the above-referenced Permit be extended to November 18, 2018. As you may recall, the vast majority of the above-referenced project cannot be undertaken until space is vacated as services are relocated from the Rockton Avenue Campus to the Riverside Boulevard Campus.

Enclosed please find a check in the amount of \$1,000.00 made out to the Illinois Department of Public Health.

Should any additional information be required, please do not hesitate to contact me.

Sincerely,

Paul Van Den Heuvel
Vice President and General Counsel
